Please read this cookie policy carefully as it contains important information on who we are and how we use cookies on our website. This policy should be read together with our Privacy Policy which sets out how and why we collect, store, use and share personal information generally, as well as your rights in relation to your personal information and details of how to contact us and supervisory authorities if you have a complaint.

Who we are

This website, zimed.co.uk (our website) is provided by Medicom Healthcare Limited ('we', 'our' or 'us').

Our website

This cookie policy only relates to your use of our website.

Throughout our website we may link to other websites owned and operated by certain trusted third parties to provide you with further information about the product and potential undesirable side effects. These other third party websites may also use cookies or similar technologies in accordance with their own separate policies. For privacy information relating to these other third party websites, please consult their policies as appropriate.

Cookies

A cookie is a small text file which is placed onto your device (e.g. computer, smartphone or other electronic device) when you use our website. We use cookies on our website. These help us recognise you and your device and store your email address and IP address where you are a Health Care Professional.

For further information on our use of cookies, including a detailed list of your information which we and others may collect through cookies, please see below.

For further information on cookies generally, including how to control and manage them, visit the guidance on cookies published by the UK Information Commissioner's Office, or www.allaboutcookies.org.

Consent to use cookies and changing settings

We will ask for your consent to place cookies or other similar technologies on your device, except where they are essential for us to provide you with a service that you have requested (e.g. to validate that you are a Health Care Professional).

Our use of cookies

The table below provides more information about the cookies we use and why:

The cookies we use	Name	Purpose	Whether cookie is essential for us to provide you with a service that you have requested and whether we will

			seek your consent before we place the cookie
Functionality cookie	Medical Professional	To validate your email address to determine whether you are a Health Care Professional (HCP) Stored on your device in between browser sessions to allow your preferences or actions across our website to be remembered and will remain on your device for 90 days until it expires or you delete it from your cache	Essential so we will therefore not request your consent before placing this cookie
Functionality cookie	.AspNetCore.Antiforgery.tEHrSm07Ss0	To link IP address to a valid HCP email address to autocomplete the email address field and take a user to the HCP pages on future visits to the website Stored on your device in between browser sessions to allow your preferences or actions across our website to be remembered and will remain on your device for 1 day until it expires or you delete it from your cache	Essential so we will therefore not request your consent before placing this cookie

Third party access to the cookies

The cookies we use will only be accessed by us and those third parties named in the table above for the purposes referred to in this cookie policy. Those cookies will not be accessed by any other third party.

How to turn off all cookies and the consequences of doing so

If you do not want to accept any cookies, you may be able to change your browser settings so that cookies (including those which are essential to the services requested) are not accepted. If you do this, please be aware that you may lose some of the functionality of our website.

For further information about cookies and how to disable them please go to the guidance on cookies published by the UK Information Commissioner's Office, or www.allaboutcookies.org.
